

Dear Parents/Carers,

Thank you for your continued support for our clubs over what has been a great Autumn term here at Sportacus. Please find attached the timetable and booking form for the upcoming spring term. Futsal is our brand new club and will be replacing our Lunchtime cricket session and also our girls football club has changed to Tuesday for this term only.

Tennis Club

Learn to play tennis in a nurturing environment with the focus on a variety of fun activities and simple exercises to develop balance, co-ordination, agility, movement and racquet and ball skills as well as promoting social interaction.

Football Club

Lets kick off the new term with some fresh football sessions lead by our FA qualified coaches. We want to work on your existing skills and develop new ones through engaging and innovative sessions.

Girls Football

Montbelle boasts a very talented bunch of girls who are football crazy. Are you one of them? Come and take part in fun warm ups, learn new skills and techniques and put yourself to the test in a match under the guidance of our FA qualified coaches. ****Changed to Tuesday for this term only****

Athletics Club

Our energetic athletics session challenges you each week as we introduce you to a different sport, event or athletic game to play. Put your skills to the test individually or as part of a team.

Futsal F.C. ****New Addition****

What is Futsal? Futsal is an exciting, fast-paced small sided football game that is widely played across the world and is officially recognised by both UEFA and FIFA. The nature of this non contact version of indoor football places a large emphasis on technical skill and ability and is an excellent breeding ground for football competencies that can be translated into the 11-a-side format of the game.

Olympics

This is an after school sports club with a twist. We take a variety of sports and games and turn them into an Olympic event competition. Have you got what it takes?

Tri Golf

Tri-Golf is a 'mini' version of golf for primary schools, which involves the use of adapted equipment and a variety of games designed to provide an enjoyable introduction to the sport.

Chess

Take your time and make your move in this terms Chess club. Learn the rules by playing mini games and when you're ready, challenge the coach to a game.
