

# Working Together Ideas

Friday 11th November 2016

1. We have been busy learning our school rules this week and reading stories and talking about why we need rules in school to keep us safe and happy. Please ask me what our school rules are and spend some time with me talking about them to help me understand them. Thank you! Draw a picture of any other rules that you think we may need in our classroom or in our outdoor area to keep us safe and happy.

- 2) Next week is Anti-bullying week and we will be learning about what makes a good friend as well as the rules that we follow in school to help us to be kind to each other.

Could you talk to your child about the most important values or rules and write down 3 ideas. For an extra challenge you could draw a picture of your ideas.
