

# Working Together Ideas

Friday 20th October 2017

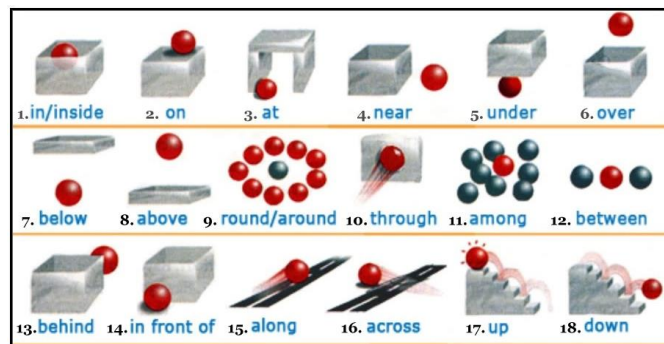

Next week we will be learning about positional language. We will be trying to find Stick Man and his friends by following the clues. To prepare for this, can you play a game with someone from home.

## Rules

Someone hides the toy. They then give clues to where the toy might be hidden. You can tell them what room (if this helps) or to make the hunt even harder add this into your clues. When you find the toy/item, swap over and have a go at explaining it.

Eg. Go **upstairs**. Look to the **side** of the TV. The toy will be **on top** of the box.

Words you can try to use: in, under, next to, beside, behind, on, up, down, around, under, over, between, inside.

You can also send some pictures into school this week via our admin email to be printed in school if this is helpful.

(Please send to [admin@montbelle.org.uk](mailto:admin@montbelle.org.uk) FTO-Mrs Bracken or Mrs Roberts)

You can also write down anything that your child says to you during their search.
