

Working Together Ideas

Friday 29th September 2017

1. We have been noticing that the seasons are changing. Can you have a chat at home about what Autumn looks, smells and feels like and how it differs from Summer. We will be setting up/updating our Autumn themed display in class next week so please help us by collecting any Autumn items and bring them into school. Can you draw the items that you find in your Learning Log?

2. We have been talking about our people in our families and our homes. Please could you send in a small photograph of your home and bring it to school on Monday for us to use in our teaching. Please discuss the type of house you live in, number of rooms etc

3. In Montbelle we love reading for pleasure. This week, every child will be given reading bookmark. Please write your child's name on it and initial when they have completed the book. Once the bookmark is completed they will go to Mrs Waite or Mrs Geden and be awarded with a book.

Happy Reading
