

# Working Together Ideas

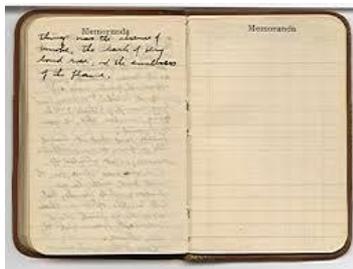

Friday 15th December 2017

As we approach our final week in school, this 'Working Together Ideas' will be collected in January. During the break, please keep reading for pleasure with your own stories from home or the local libraries. Here are some ideas that you and your child could do together over the holidays:

1. What exciting adventures do you and your family have planned for over the Christmas Holidays?

You could take a photo and draw a picture to go with it and keep a diary of all the different things that you do each day. For an extra challenge, try adding some letters to go with the pictures. (We have been working on hearing the initial sound in words).

We would love to see these in January.

2. You could draw a picture and tell us all about a favourite present that you might receive over the holidays. Can you challenge yourself to write about it?

Most importantly make sure you enjoy yourself. Have a lovely rest and stay safe.

Merry Christmas and a Happy New Year from Miss Till and Saffron.

# Working Together Ideas

Friday 8th December 2017

Can you become a detective... go on a hunt around your house or when you are out on any trips and find some different sized items. Can you put them in height / size order?

Which one is bigger? smaller?

Maybe take a photo of all of your hard work so that we can see. For an extra challenge- can you find a few items and sort them into order now?

What is the biggest item that you can find to order?

Can you draw a picture and tell your grown-up as much information about it as you can. (Adults can write down what your child tells you about their drawing/drawings).

Think..... What are you going to draw? What shapes could you add? Where is the picture e.g the park, at your house, in the car... add as much detail as you can.
