

Working Together Ideas

Friday 13th May 2016

This week we have thoroughly enjoyed our learning linked to the farm and have completed our topic with a fantastic trip to Kent Life Farm. The children enjoyed the 'Meet the animals' workshop where they met goats, cows and chickens and were able to learn interesting facts. They also explored 'cuddle corner' where they were able to hold rabbits, chickens and guinea pigs. The children went on a tractor ride around the site where they were keen to wave to anyone that passed them! Finally, the children also had the opportunity to explore the site finding more animals such as pigs, horses and alpacas as well as exploring old farm buildings.

Please could you talk to your child about their trip and encourage them to write about what they can remember. What were their best parts? Did they see any new animals? What facts can they remember?
