Spring

Travel tracker

At Montbelle we continue to look for exciting initiatives to encourage children to walk to school to reduce pollution and congestion and have healthier children. We have signed up for the travel tracker scheme which records online how children get to school each day. If a child walks, bikes, scooters or takes part in park and stride at least once a week every week each month then they will receive their very own badge.

New JTA's

Last year our JTA's did a fantastic job at keeping the roads safer and encouraging healthier travel. But the time has come to appoint new JTA's to help us. Here is their message for you...

The more you walk, bike or scooter to school the healthier the world will be and so will you! Getting exercise before school starts can help your brain work harder, not to mention it will help you stay fit and healthy.

Continuing for gold

Last year we were thrilled to receive the GOLD award from TFL stars for our fantastic schemes to reduce traffic and promote safer travel around the school.

This year we will continue to work to maintain our gold award, so look out for our exciting schemes and competitions throughout the year.

Schemes in school

The golden padlock scheme, where children who bring a bike or scooter to school and leave them in the bike shed have a chance to be picked (by our JTA's) to have the golden padlock on their bike or scooter. If you are lucky enough to have the padlock at the end of the day you can see Miss Burne for a prize.

- Travel tracker badge scheme*
- Weekly competition to see which class walks, scoots or bikes the most.*
