

Dear Parents/Carers,

We would like to thank each and every one of you for continuing to support Sportacus clubs at Montbelle Primary School. Please find attached the timetable and booking form for the upcoming summer term. Our new exciting new club this time round is Boxing and will be replacing our Lunchtime Futsal session, you can read more about it in the description below.

### Tennis Club

Learn to play tennis in a nurturing environment with the focus on a variety of fun activities and simple exercises to develop balance, co-ordination, agility, movement and racquet and ball skills as well as promoting social interaction.

### Football Club

Lets kick off the new term with some fresh football sessions lead by our FA qualified coaches. We want to work on your existing skills and develop new ones through engaging and innovative sessions.

### Girls Football

Montbelle boasts a very talented bunch of girls who are football crazy. Are you one of them? Come and take part in fun warm ups, learn new skills and techniques and put yourself to the test in a match under the guidance of our FA qualified coaches.

### Summer Athletics

Our energetic athletics session challenges you each week as we introduce you to a different sport, event or athletic game to play. Put your skills to the test individually or as part of a team.

### Boxing Club **\*\*New Addition\*\***

Join us for our brand new non contact Boxing club at Montbelle. Put on some boxing gloves and take part in different elements of boxing training. This is a great sport for children to get fit, improve balance and gain increased confidence while learning about self-discipline and determination and helps children excel both physically and mentally.

### Olympics

This is an after school sports club with a twist. We take a variety of sports and games and turn them into an Olympic event competition. Have you got what it takes?

### Tri Golf

Tri-Golf is a 'mini' version of golf for primary schools, which involves the use of adapted equipment and a variety of games designed to provide an enjoyable introduction to the sport.

### Chess

Take your time and make your move in this terms Chess club. Learn the rules by playing mini games and when you're ready, challenge the coach to a game.
