

Parental Feedbacks... "Thank you for all your hard work putting the concert together tonight. It was lovely to watch all the children perform confidently in front of an encouraging audience. I loved the rainbow rhythm group's first performance with the 'sticks'. We had a great time." "The Talent Show is my favourite as it gives the kids a chance to just be free & do so many different kinds of things!" "Lovely evening with lots of enjoyments!...The cookies with the children's names written on were a very special touch. Thank you..."

The central graphic is a white rectangular card. At the top is the 'Montbelle Melodies' logo, featuring a stylized 'M' with a musical note and the text 'Montbelle Melodies'. Below this is the word 'presents' in a simple font. The main title 'MONTBELLE'S GOT TALENT' is displayed in a large, bold, black font with a star replacing the letter 'A', set against a background of radiating yellow and orange lines. At the bottom is the 'PTA MONTBELLE' logo, which includes a tree icon with colorful leaves, and the text 'March 2020 PTA Fundraising Event'.

## 15th Montbelle Melodies Concert/Montbelle's Got Talent

*Dear Mrs. Geden and Children and Parents of Montbelle Primary School,*

*Another event, another success!! Year after year we present this event and it always fills up, it always provides a safe and encouraging atmosphere for the children to perform.*

*It has been lovely to see performers aged from 4 years, and older performers who have been coming every year since they were 4. The increase in their self confidence, the familiarity with this event and the audience makes this a special and memorable evening for all year after year!*

*I have always encouraged all children to go up to stage and perform something however small or big it is and over the years all children became much more confident after the first performance, which is always a bit "scary"...*

*Fantastic performances, lovely acts, beautiful music... Each act was showing something unique, something individual, something interesting. They showed creativity, self-confidence and talent.*
