

SEND PARENT SUPPORT GROUP

Come along to our friendly group for parents of children with SEND (diagnosed or undiagnosed) at Invicta Primary School (Deptford Site) on the first Monday of every month at 9.15am. Parents from all local schools and nurseries are welcome.

These sessions will be an opportunity to network with other parents; sharing both experiences and knowledge with each other. We will also be inviting professionals to come and give talks on particular areas of interest, which will be discussed in the first meeting in February.

Sessions this academic year:

- Monday 3rd February 2020
 - Monday 2nd March 2020
- (No April session due to Easter holidays)
- Monday 4th May 2020
 - Monday 1st June 2020
 - Monday 6th July 2020
